

**Notice of Completion – Design and Construction Report
Detail Design and Class Environmental Assessment
Highway 62 and Prince Edward County Road 1 Intersection Improvements
(GWP 4077-20-00) in Huff's Corners in
Prince Edward County**

The Ontario Ministry of Transportation (MTO) has retained Stantec Consulting Ltd. to undertake a Detail Design, and Class Environmental Assessment (Class EA) Study for intersection improvements at Highway 62 and Prince Edward County Road 1, in Huff's Corners in Prince Edward County.

A Design and Construction Report (DCR) has been prepared to summarize the recommended plan, which includes design refinements to the roundabout Recommended Plan, development of construction staging plans, consultation, and development of environmental protection and mitigation measures.

This DCR documents the Detail Design and Class EA process for the improvements to Highway 62 and Prince Edward County Road 1 in the Study Area, and has been prepared to:

- Address any minor design modifications that result in environmental impacts or benefits that may not have been anticipated or detailed in the Preliminary Design documentation
- Further assess environmental impacts and refine mitigation measures
- Address any commitments to future work identified in the Preliminary Design documentation

Upon completion of the DCR review period, the project will be considered to have met the requirements of the Class EA and will proceed to construction. Construction is anticipated to begin in Spring 2027 subject to approvals.

This study followed the approved planning process for Group 'B' projects under the MTO Class EA for Provincial Transportation Facilities (2000). **The DCR is available for a 30-day public comment period beginning September 25, 2026, and ending on October 26, 2026 at the following locations and on the Project Website at www.hwy62pec1.ca**

Bloomfield Public Library

300 Main Street
Bloomfield, Ontario
Tuesdays: 2 PM – 7 PM
Thursdays: 10 AM – 4 PM
Saturdays: 10 AM – 2 PM

Picton Public Library

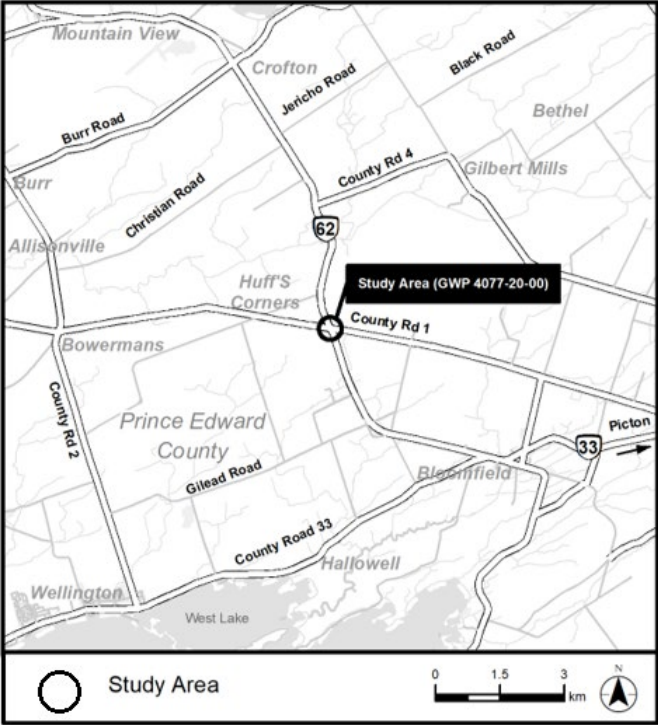

208 Main Street
Picton, Ontario
Tuesdays: 10 AM – 5 PM
Wednesdays: 10 AM – 5 PM
Thursdays: 10 AM – 6 PM
Fridays: 10 AM – 5 PM
Saturdays: 10 AM – 4 PM

Interested persons may provide written comments to the project team by October 26, 2026. Please visit the project website at www.hwy62pec1.ca to obtain additional information about the project and to learn how to contact the project team.

All comments and concerns should be sent directly to the project team members listed below. Comments can also be emailed to comments@hwy62pec1.ca.
